

## Announcement of Product Label Adjustment

We have been supplying **83LT01 – Regular Brown Sugar Tapioca Balls (7.5mm) 3kg** and **83TO05 – Regular Brown Sugar Tapioca Balls (7.5mm) 3kg** for an extended period. However, a cooperative manufacturer recently pointed out that the size of these two products are incorrect. In response, we have endeavoured to rectify the issue by adjusting the **actual size on the labels - Regular Brown Sugar Tapioca Balls-#2.2(8mm-9mm) 3kg**. The size has been revised from 7.5mm to 8-9 mm, with an average of about 8.5mm. When you have receive the updated labels, please be assured that they are referring to the **same products**. We apologise for any inconvenience this may have caused.

### 產品標籤更正通知

感謝您們長期以來的支持，特此告知，台沛一直以來銷售兩款 7.5mm 尺寸的珍珠，分別為 **83LT01-黑糖珍珠 (7.5mm) 3kg** 與 **83TO05-黑糖珍珠 (7.5mm) 3kg**。日前，經由合作的製造商告知此**珍珠實際尺寸為平均 8.5mm 並非 7.5mm**。我們決定即刻更正標籤上的尺寸資訊，由原本的**黑糖珍珠 (7.5mm) 3kg** 改為**黑糖珍珠 (#2.2(8mm-9mm)) 3kg**。若您近日收到的產品標籤上顯示為 8-9mm，此為更正後的標籤。

請勿擔心，此兩款品項仍為您們長久以來所使用的產品，產品本身並無任何改變，只有將標籤上錯誤尺寸修正為正確尺寸。若造成您的不便，敬請包涵與見諒；如有任何問題，歡迎隨時與我們聯繫。
